

## ON LINE PRIVACY STATEMENT:

This statement provides information about the privacy policy of the Math Teachers Press, Inc. and Moving with Math,™ about the privacy of this website. If you are a minor please review this statement with your parent or guardian.

Access to this website is made available to you by Math Teachers Press, Inc. This privacy statement discloses how we collect, use, share, and protect and use personal information gathered on this sight.

Use of this site is subject to the Terms of Use. The Terms of Use or part thereof maybe revised by Math Teachers Press from time to time. You should periodically check the Terms of Use. Revisions are effective upon posting. Please note that various products offered by Math Teachers Press Inc. may have different terms and conditions. If Math Teachers Press makes any future material changes to the Privacy Statement it will provide prominent notice of any such changes.

### **Information Collected**

Personal identifying information includes but is not limited to your first and last name, email address, home address, phone number, date of birth and social security number with your personally-identifying information.

The information Math Teachers Press learns from you helps us to improve your experience and use of this site. We receive and store any information you enter on this site or give us in any other way. You can choose not to provide certain information, but then you might not be able to take advantage of the personalized nature of the Site.

### **Public Postings**

Users should note that any personally identifying information that is voluntarily posted by a user to any public area of this site may always be collected and used by others. While we monitor such posting areas from time to time and will use commercially reasonable efforts to delete a Child's personally-identifying information prior to posting, we strongly encourage Children not to post such information.

### **Information Sharing and Disclosure**

Our policy is not to share this personally-identifying information with third parties. There may be third party vendors who supply maintenance and support for this site that may have access to your personally identifying information but, unless they get express permission from you, they will not use such information for any other purpose other than to provide services in connection with this site.

We may also disclose personally identifying information in the following situations such as response to a subpoena, court order or legal process, to the extent permitted and required by law; to protect user security or the security of other persons, consistent with applicable laws; or in order to enforce the site's terms of Use. We exercise commercially reasonable care to not otherwise share or disclose the names of

users or any other personally-identifying information with third-parties, except with the prior approval of the user.

#### SPECIAL NOTICE To Parents, Children and Teachers

**PARENTS AND TEACHERS:** We encourage parents, guardians and teachers to spend time with their Children or the Children they teach and participate in the activities that may be offered to Children on this Site. No personally-identifying information should be submitted to or posted on this Site by Children without the consent of their parent, guardian or teacher. We encourage parents and teachers to monitor Children's online use, and to help us protect their privacy by instructing Children never to provide such information on this Site or any other website without permission. We are also prohibited by law from conditioning a Child's participation in any activity on this Site on the Child disclosing more personally-identifying information than is reasonably necessary to participate in such activity.

**CHILDREN:** Please do not give your full name, email address, home address, telephone number or any other personally-identifying information that would enable someone to contact you either on-line or off-line, without first asking your parent, guardian or teacher for permission.

We do not knowingly collect personally-identifying information from Children on this Site either directly or passively. If we receive information that a Child is sending or posting personally-identifying information on any area of this Site, we will use commercially reasonable efforts to delete such personally-identifying information before it is made public. We will never request personally-identifying information from a Child. We may disclose a Child's personally-identifying information in special cases when we have reason to believe that disclosing this information is necessary to identify, contact or bring legal action against someone who may be causing injury to, or interference with, (either intentionally or unintentionally) our rights or property, other users or anyone else that could be harmed by such activities. We also may disclose a Child's personally-identifying information when we believe in good faith that the law requires it.

#### **COLLECTION AND USE OF INFORMATION**

We receive and store certain types of information whenever you interact with this Site. For example, like many websites, we use "cookies" and we obtain certain types of information when your web browser accesses this Site. Cookies are identifiers that we transfer to your computer's hard drive, through your web browser, to enable our systems to recognize your browser and to provide customized features. Cookies allow you to take full advantage of this Site's best features, and we recommend that you leave them turned on.

Prior to user registration, if applicable, Math Teachers Press may employ cookie technology on this Site to track non-personal information like browsers, operating system, domain names and IP addresses and to improve your experience online. Prior to user registration to the extent applicable, we do not link IP addresses to any personally-identifying information.

Please also note that Math Teachers Press reserves the right to monitor your compliance with the Terms of Use of this Site and may track your usage of this Site in order to confirm compliance with these Terms of Use. Math Teachers Press reserves the right, in its sole discretion, to terminate your access to this Site for any reason, including non-compliance with these Terms of Use.

### **THIRD PARTY DATA COLLECTION SERVICES**

Math Teachers Press may use a third party service to collect anonymous visitor data on our network of sites, applications and online services. If Math Teachers Press uses a third party service to collect the foregoing information from the Site, the third party service will not collect any personally-identifying information from Users. Math Teachers Press may use the third party service to collect anonymous visitor information like IP addresses, browser types or referring pages and websites. Math Teachers Press may use the third party service to collect this non-personally identifiable information for various purposes, including but not limited to provide anonymous statistical analysis of web page traffic patterns, administer our Service and servers, allow for auditing of our services by third parties, improve our services and ensure User compliance with our Terms of Use.

### **LINKS TO OTHER SITES**

You may have linked to this Site through your school's secure intranet site, which is a third party site. This Site may provide links to other third party websites or resources. We do not control your school's intranet site or such other third party websites and resources, you acknowledge and agree that Math Teachers Press is not responsible or liable for the content, products or performance of your school's intranet site or such other third party websites and resources, and you hereby irrevocably waive any claim against Math Teachers Press with respect to your school's intranet site or such other websites and resources. Math Teachers Press reserves the right to terminate any link at any time without notice. The inclusion of a link to such another website or resource does not constitute or imply an endorsement, authorization, sponsorship, or affiliation by Math Teachers Press of that website or resource, or any products or services provided therein. The information practices of those websites, including your school's intranet site, are not covered by the Terms of Use (including this Privacy Statement) or any other policies or terms applicable to this Site. We recommend that you review any terms of use and privacy policy of your school's intranet site and any third party website linked to this Site before providing any information to those websites or using their products and services.

Please note that this Site may also provide links to other sites brought to you by Math Teachers Press. The privacy statement and terms of use of other Math Teachers Press sites may vary from the Terms of Use (including this Privacy Statement). We recommend that you review the privacy statements, terms of use and other policies or terms that may apply to other Math Teachers Press sites if you should choose to use such sites.
